

Village of Granisle

Your local internet service provider

IT'S HERE!!

The Village of Granisle has partnered with the Regional District of Bulkley Nechako in order to bring High Speed Internet to the Regional District Area G surrounding Granisle. Regional District was successful in their grant application to Connecting Citizens and on August 20th, 2012 an Internet Tower will be constructed across Babine Lake.

Those of you interested in being **connected** should contact the Village of Granisle Municipal Office and place your name on the wait list. We are hoping to have the system up and running by September 24, 2012 and will then be contacting all those on the list for install.

Service Fees Schedule - Regional District Area G Residents (Mill Bay Rd. and Topley Landing)
